

CHALLENGER 233

With superior helm visibility, a responsive feel and impressive stability, the 233 Challenger resonates confidence, strength and security.

Just a few features of the 233 Challenger are abundant ventilation, 6'-4" headroom and wide side decks with high pattern bow rail providing easy access to the fore deck. At the end of the day you will appreciate the spacious 7' long V-berth with 6'-8" at the widest point.
