

2026 Brig Eagle 6

Powered w/ a Yamaha 150XSA with digital electronic controls, the sleek & sporty Eagle 6 is ideal for sports, cruising & enjoying your day on the water with friends & family. The design for this luxury cruiser is based on maximizing comfort, style, safety & fun as you enjoy time on the water. Like the other RIB boats in the esteemed Eagle series, the Eagle 6 has a reinforced deep-V-hull, an extended waterline length, a square bow and wide tubes which combine to provide an incredibly stable, dry ride even when the water is on the rougher side. This 19ft boat is made to be a luxury performance sports vessel you can enjoy on any lake or in the ocean. The boat has a central stern navigation mast that pulls double-duty as a convenient ski pole. Pricing includes electronics: **Garmin GPS 943xsv w/GT56UHD-TM Transducer, Fusion Stereo Head, JL Speakers (2), Garmin VHF 215**
